Birth Announcement

Congratulations on the birth of your baby! We would like to announce the good news in our newspaper and need your help in carefully filling out the following questionnaire and returning it to our office. Baby photos can be added for \$5, but running the announcement without the photo is free. Please do not include other family members in the photo. You can e-mail your photos as separate .jpeg attachment. We can use black and white or color photos. We can not use photos printed on regular paper — it must be printed on photo paper. You may also type this in paragraph form and submit it via e-mail. It can not run until fees are paid. You are welcome to pay the fee when bringing the photo by the office, or you may call in to the front desk with your debit or credit card information. We prefer to have baby announcements placed within the first six months of the birth.
